Amendment of Section 73.622(b),
Table of Allotments,
Digital Television Broadcast Stations.
(Monroe, Louisiana)

MM Docket No. 99-265
RM-9660

NOTICE OF PROPOSED RULE MAKING**Adopted: July 30, 1999****Released: August 3, 1999**

Comment Date: September 24, 1999

Reply Comment Date: October 12, 1999

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by Noe Corporation L.L.C. ("Noe"), licensee of station KNOE-TV, NTSC Channel 8, Monroe, Louisiana. NOE seeks the substitution of DTV Channel 7 for its assigned DTV Channel 55 at Monroe, Louisiana.

2. Noe states that its proposed substitution of DTV Channel 7 for DTV Channel 55 would permit station KNOE-TV to replicate a larger portion of its existing service area during the DTV transition period. The proposed change would also enable Noe to avoid the extra cost of purchasing a UHF transmitter and other equipment. Noe claims these operating savings will free-up additional resources for the station to invest in providing DTV programming.

3. We believe Noe's proposal warrants consideration. DTV Channel 7 can be allotted to Monroe in compliance with the principle community coverage requirements of Section 73.625(a) at reference coordinates 32-11-45 N. and 92-04-10 W. In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). As requested, we also propose to modify KNOE-TV's authorization to specify operation on the alternate DTV channel with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
LA Monroe	7	5.0	519

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Present</u>	<u>Channel No.</u> <u>Proposed</u>
Monroe, Louisiana	*19, 55	7, *19

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before September 24, 1999, and reply comments on or before October 12, 1999, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

(Counsel for Noe Corporation L.L.C.)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the

Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
